Dear **Mr. Capati et. al:**

This refers to your request for the IP protection of the technology entitled "**Utilization and Analysis of Sweet Corn (zea mays var saccharata) Husk Midsole**". In view of the very limited information provided in the submitted document we defer action on your request, pending submission of the following:

- (1) Complete description of the step by step procedure on how to formulate the product and the conditions being observed in each step;
- (2) The chemical compositions in percent weight or volume and;
- (3) The concentrations of the reagents used.

Thank you and we hope we can hear from you soon.

Thank you.

Very truly yours,

  
**EDGAR I. GARCIA**  
Director
